- The Santa Cruz County – Mosquito and Vector Control provides this information for the convenience of property owners. It is the result of a phone survey and does not make recommendations or guarantee any work done. It is the sole responsibility of the homeowner to interview PCOs as to their methods and obtain written estimates and contractor certificate numbers.
- Further information on PCOs can be obtained by calling Pest Control Operators of California at (916) 372-4363, a non-profit trade association representing the structural pest control industry, www.pcoc.org
- The telephone yellow pages under “Pest Control” or “Pest Control Services” is another good PCO source.
